REIMAGINING INDIAN HEALTHCARE.
ABOUT NATHEALTH

NATHEALTH has been created with the Vision to “Be the credible and unified voice in improving access and quality of healthcare”. The apex healthcare body consists of prominent leaders from segments such as providers, Medtech, Diagnostics, Health Insurance, Biotech/Lifesciences, consultancy, Home Healthcare companies and PE & VC companies among others. They have come together to build a common platform to create the next level of momentum in Indian Healthcare. NATHEALTH encourages innovation and capacity building. It helps in shaping policy & regulations and enables the environment to fund long term growth.
NATHEALTH collaborates with NHA

In February 2019, NATHEALTH- Healthcare Federation of India extended full support to National Health Authority (NHA), the implementing agency for Ayushman Bharat – Pradhan Mantri Jan Arogya Yojna (PMJAY). NATHEALTH & NHA officials met in New Delhi on February 12, 2019 to discuss collaboration on a comprehensive range of ideas to scale up the impact of the scheme. During the meeting, it was decided that NATHEALTH will extend full support and set up a mechanism to provide technical experts and inputs, as and when sought by NHA and the State Governments.

In support of the collaboration, NATHEALTH reached out to the stakeholders through extensive advertisement drive covering 5 newspapers that include Economic Times, Times of India, Indian Express Dainik Bhaskar, Navbharat Times. The collaboration received extensive media coverage by all prominent print and online media.
NATHEALTH partners with The DX Summit 2019, India’s largest Diagnostic Business Conclave

NATHEALTH collaborated with The DX Summit 2019, which is India’s Largest Diagnostic Business Conclave, organized by the Indian Express Group and Express Healthcare at Hyderabad on 22nd & 23rd February 2019. The collaboration saw active participation from its members as NATHEALTH has a robust diagnostic forum, which synergized with the theme ‘Future of Diagnostics’.

The Summit encouraged deliberations on emerging opportunities and new-age business models with a focus on In-vitro Diagnostics (IVD), Molecular Diagnostics, Rapid Testing, Point of Care Diagnostics/ Testing (POCT), Precision Medicine, associated regulatory matters, R&D and Technology transfer.

NATHEALTH supports ASHRAE at AIC Tech Conference 2019

In an effort to make hospitals sustainable, NATHEALTH extended its support to ASHRAE- India Chapter at the International Conference on ‘Sustainability in Practice – Building Sustainable Hospitals’ held in New Delhi. With support from Apex Healthcare body NATHEALTH, experts and delegates deliberated on various aspects of hospitals such as Energy management, Modular Constructions, Waste Management, Indoor, Smoke Control and Life Safety among others.
